

## GETTING TO ANDOAIN FROM PAMPLONA VIA THE A-15

1. Take exit **Nº 445 (Ref.20)**  
ANDOAIN  
TOLOSA N-1

2. When you reach the STOP sign turn left going under the N-1 and very soon turn right at the green sign that reads SORABILLA **(Ref.15)**.

3. After stopping, go straight ahead passing by ERROTAGAIN **(Ref.16)** and turn left passing by the sign that reads ERROTAGAIN 1-8. **(Ref.17)**

4. At the next compulsory STOP a steep slope starts on the right. When you get half way down slope you'll pass by ERROTAGAIN 11-13 sign. **(Ref.18)**

5. Very soon, take the junction to the left, (if not we'll see the signs ERDIA – CENTRO – CENTRE on the left **(Ref.19)** in the same direction, and SORABILLA in the opposite direction).

6. Very soon, take the first turning on the left, and from now on there will be only about 3 km left to reach Garate.

7. **VERY IMPORTANT!** From now on, always follow the cement road; never take any other cobbled or forest roads. You will pass the following signs and references:

- GARATE, BELKOAIN (there's a white painted arrow on a grey stone, at the top it reads USURBIL BURUNTZALDEA). **(Ref.7)**.
- On the right of the road a sign that reads KAROBIA (old limestone kilns).
- Wooden signs announcing BELKOAIN – BIDEA = CAMINO – PISTA (Belkoain road). **(Ref.8)**.
- Pass a farm on the right, just after going down a gentle slope. Then, on the left, you will see another limestone kiln **(Ref.9)** and again, there's another section of sharp slope uphill.
- When you get to the highest point you will pass a TV antenna (it has a graffiti on it: *AHT EZ*). **(Ref.10)**
- You will also pass by a wooden sign on the right of the road that reads ANDOAIN **(Ref.11)**, in the opposite direction.

Very soon you will pass through a green metallic gate on the left and will see **GARATE** farm at the bottom of. **YOU ARE HERE!**
